| In order to comply with the Working Time Regulations, the Trust is offering you the opportunity to have a health assessment. There are no specific contraindications to working at night, however if you have any of the conditions listed below you may wish to take up this offer. The health assessment will be provided by Occupational Health. Any restrictions recommended are usually temporary and a follow-up assessment may be required. |                               |    |  |  |  |  |  |  |
